all content of advertisements printed and assume
responsibility for any claims that may arise from their

Terms and Conditions

Copy Regulation: All advertisements are accepted and published by the publisher entirely on the representation that the agency and/or the advertiser are properly authorized to publish the entire contents and subject matter thereof. It is understood that in consideration of the publication of advertisements, the advertiser and/or the agency will indemnify and save the publisher harmless from and against any claims or suit for libel, violation or right of privacy, plagiarism, copyright or trademark infringement and any other claims or suits based on the contents or subject matter of such publication.

The right is reserved to reject any advertising considered objectionable as to wording or appearance, or not in harmony with the best interest of our readers.

Publisher is not responsible for failure to publish any advertisement because of labor disputes, strikes, government action, war, fire, riots, breakdown of equipment, acts of God or other circumstances beyond the publisher's control.

Upon signing orders or contracts, payment for first insertion is required. Credit cards (Visa, MasterCard, American Express and Discover) or checks will be accepted for prepayment.

Rates are based on total number of insertions used within each contractual year. Insertions may be the same or varied sizes. If more or fewer insertions are used within one year than specified in the billing rate, charges will be adjusted to correspond with the earned space rate. Discounts or no-charge placements will be offered at the end of the contract term, and credited at the smallest ad placement within the contract term. Contracts may be cancelled by the advertiser or Publisher on written notice, 30 days in advance of the closing date. The advertiser will be billed for actual space used within the contract year. Advertising copy from most recent insertion will run if copy is not received by specific deadline, or, if there is no previous insertion, client is liable for cost of contracted space not used, and space will be allocated at discretion of publisher.

Publisher reserves the right to insert the word "Advertisement" in ads that simulate the editorial format.

Invoicing will be rendered monthly. Invoices rendered to Advertiser shall be conclusive as to the correctness of the items stated unless Company receives written objection within fifteen (15) days thereof. Non-receipt of invoices or lack of invoicing shall not impact Advertiser's liability hereunder. Any discounts given shall be forfeited/reversed for invoices not paid within sixty (60) days from the date thereof. Invoices shall be due thirty (30) days after the date of invoice and failure to pay within such timeframe shall result in a default hereunder and shall further be deemed a default under any other agreements with Company. Invoices not paid when due shall accrue interest at the rate of one and one-half percent (1.5%) per month (18% annual), or such lesser rate permitted by law. After 30 days, advertising can be withheld until the outstanding balance is paid.

Agency and Advertiser shall be jointly and severally liable for payment of the amounts owed under this Contract.

In the event of default or material breach by Advertiser/Agency, in addition to other remedies available at law, Company may: (a) cancel this Contract without prior notice and demand payments of all amounts remaining due and owing; (b) without terminating this Contract, declare the entire balance of payments to be made hereunder immediately due and payable; (c) remove all of Advertiser's advertisements without limiting Advertiser's liability hereunder; and/or (d) declare Advertiser in default under any other agreement with Company. Waiver by company of any breach by Advertiser/Agency hereunder shall not prejudice the rights of the Company with respect to any breach not specifically waived by Company. Any collection expense will be borne by advertiser including all fees and reasonable legal fees. Should it be necessary for any litigation to take place on this account, including matters of the collection of unpaid bills, cases will be heard in the State of New York, County of Nassau.

No conditions, printed or otherwise, appearing on the space order, billing instructions or copy instructions that conflict with the Publisher's stated policies will be binding on the Publisher. This Contract contains the full agreement of the parties, and no prior representation or assurance, verbal or written not contained herein, shall affect or alter the obligation of either party hereto.
